THE STATESMAN'S OPPORTUNITY. risks of the AFFHAL, especially in those devoted to the discussion of the fortunes of this city as they may be affected by approaching municipal elections, is well linstrated by the New York Evening Post. It tells us that the present political | yesterday. aituation is one of the noblest opportunities ever placed before statesmanship to windicate its true character as something better and greater than party management. A general election is near enough to occupy the thoughts of the people, yet so far away that even the parties which are to con est it are not yet defined, nor "The origin of the fire" is the object are the issues to be decided yet drawn, of an official investigation now going on The country is substantially at peace at home and abroad; there are no threatening questions in our foreign relations; the sa they were never stirred below, by the terrible exposures made a trace and when personal character is not regarded as essential to public office; and now, for the first the contributes of the camp of Salmany, the place of execution under a strong escort. A hollow square was formed by the troop at once and in which the prisoners were placed. The behavior of the three men was most couragnous.

DRAWI place, with the camp of Salmany, the place of execution under a strong escort. A hollow square was formed by the troop at once and in which the prisoners were placed. The behavior of the three men was most couragnous.

And also so that the camp of Salmany, the place of execution under a strong escort. A hollow square was formed by the troops at once and in which the prisoners were placed. The behavior of the three men was most couragnous.

And also so that the camp of Salmany, the place of execution under a strong escort. A hollow square was formed by the troops at once and in which the prisoners were placed. The behavior of the three men was most couragnous.

And also so that the camp of Salmany, the place of execution under a strong escort. A hollow square was formed by the troops at once and in which the prisoners were placed. The behavior of the three men was most couragnous.

worth and its fitness for its work. This is no time, then, for men capable of statesmanship to waste their powers in disputing over personal claims to the office of president. It is not yet time omes of president. It is not yet the gualifications of the two sons yesterday. One of the boys will undoubtedly die.

Forty children of Catholic parents have been expelled from the public schools of Hunter's Point, Long Island, becames the public schools of Hunter's Point, Long Island, becames the discountry, and to choose candidates among them. The next president is not likely to have any brilliant work of war or of diplomacy thrown upon him; the office does not now seem to call for a Washington, capable by his own personal weight of character, of regulating parties in various parts of the country, who have sent their five-twenty bands to Washington for redemption.

Up to this date the Chicago Rellef and Washington, espable by his own personal stitutions. In view of the swful duties which may at any time fail upon the
head of a nation, the office calls for a man
who will rise to greatness on great occaforty States and territories, the will rise to greatness on great occations; but the work to which it will probbly he required to give its whole energies
and power is that of a thorough purificaon of the government from the evils of
collical bargaining and of money-seeking

Baylegs and Doings of the State Legisla ture Yesterday

Special to the Appeal.? SERATE.

NASHVILLE, November 28,-Mr. DuBos

NASHVILLE, November 28,—Mr. DuBose presented a petition from the merchants of Batier's Landing, praying for the reduction of the merchants' tax.

The tollowing bills were introduced:
By Mr. Clark—To repeal the act exempting from execution and attachment the property of municipal incorporations.
By Mr. DuBose—To redistrict the State.
The following new resolutions were introduced:

Among the house bills which passed their third reading are the following: Bill to change the mode of appointing railroad receivers; bill to make the crime of rape a capital offense; bill to allow railroad companies chartered in other States to comment with railroads chartered by this Among the senste bills which passed

their third reading are the following: Bill to give allen on treaspassing stock; bill to allow counties to establish workhouses. The bill to smend the raise of chancery practice was taken up, on motion to reconcider the vote passing the bill. The greater part of the day was consumed in offering amendments, etc., but the bill was finally passed to its third reading without being materially changed.

Adjourned.

Mr. Crows presented a petition from citizens of Senton county for the repeal of the privilege tax on merchants. privilege tax on merchants.
ng new bills are the following: by Mr. Hnipes-To fix a tax on town is and thusiers in towns of less than

the tax on sales. By Mr. Samsell-To amend an act to orial and representative districts of the tate. It gives Shelby six representa-ives two senators and an interest in a loater. The bill is voluminous and has

been ordered printed.

By Mr. Crews—To establish a bureau of imagignation and for other purposes.

Mr Chester introduced a resolution declaring that, whereas, for more than a years past there have been perstatent and atunious efforts on the part of certain parresent the restings and conduct of a large majority of the people of Tennessee, evidently with the order of displacing the State organization and erooting military rule, therefore be it reached the opinion of the general assembly that while personal difficulties occasionally occur in Tennessee, as in other States of the Union, there does not exist in the State any organization known as the Kukiux kian or otherwise whose object is a violation of the law or later object is a violation of the law or later object is a violation of the law or later object is a violation of the law or later object is a violation of the law or later of misrep.

A committee of influential citizens of Charleston, South Carolins, including Hou. J. D. Pope and ex-Governor Orz, published, yesterday, the result of their examination of the treasurer's debt statement, which they find is correct. Mr. Wade says that his position as chief law officer of the Northern Pacific railroad will not permit him to be long enough away to attend to that business. The position he now fils in the railroad company is one which was offered Minister Schenck prior to the latter's having been appointed to to the latter's having been appointed to the English mission.

The London Standard is informed that

The London Standard is informed that Russia has undertaken a special armament on a gigantic scale. She is forming two fortified camps, each to hold one hundred and eighty thousand men. One has been catablished at Smolenek and the other will probably be organized on the tisilcian, frontier. These preparations are believed to be directed more particularly against Austria, because of the appointment of Count Androssy, which was regarded as unfavorable to Russia. The London journals yesterday morn ing reflected unessiness, and which is concealed by no one, with regard to the Prince of Wales. It is represented that rumors are current at Windsor that the prince was worse, and that much alarm was tell at the caselo. This, coupled with the announcement that the queen would probably remain all day at the prince's residence, strengthened the impression that the crisis of the fever was at hand; but the latest builetin states that the orince was able to alsee during the night.

prince was able to aleep during the night, and that the fever is lessening. A committee of influential citizens of

The Choice of Hos. Montgomery Blair for President - Fesult of an Interview with the old President-Maker.

Special dispatch to Cincinnati Enquirer. Special dispatch to Cincinnati Enquirer.]

Washington, Noromber 26—A long interview with Hon. Montgomery Blair is printed here to-day on the presidential campaign. Mr. Blair roundly denounced grant as an ignorant man, with a strong will, that compels congress to obey him in all things. "Let the Democratic party, as an organization, stand back and let the field be kept clear to the disaffected and independent Republicans. The Missouri programms suits me. There the Radicals were defeated through this kind of cooperation. Let the Radicals call their convention and nominate Grant, and then let the independent Republicans boit and nominate whoaver they piesse, and then H.R.H. Princess Alexandra is not seriously iil.

Fareppa-Ross appeared in Cincinnsti Monday night.

Dr. Blackburn's trial, for the murder of Miss Lovell, still goes on at Chillicothe, Ohio.

Count Gergenti, son-in-law to ex-Queen Isabella, has committed suicide at Geneva, Switzerland.

Charies O'Conor stated vantaries to a population. I met Senator Cassarly vantaries of population. Ohio.

Count Gergenti, son-in-law to ax-Queen Isabella, has committed suicide at Geneva, Being if the seady for this great leason, when it is eager to establish duty as the law of public life forever, and only needs wise guitdance to accomplish this work, mow is the statesman's great opportunity. Where are the mon of character and of power who will speak out at this time, with that large faith in truth which substitute to tail personal and immediate to fail personal and immediate fail to him.

John W. Conley, of New York, has purchase to fail personal and immediate fail to him. A fa borns has made his mile in 2:23 over the Cincinnati course.

General Rossel and Farre, according to our dispatches, were yesterday "abot to death with musketry," in accordance with the sentence of the court-martial by which they were condemned.

Hon William Millward, formerly mem-

martial law in the States, to the rapid progress now being made toward centralization, to corruption, fraud, and to repottem; and so are the Demograts Except a few historic traditions the Demograts have no other platform. They are righting for the same principles, hence the great need of such co-operation."

Reporter like who do you think would make the heart formidable anti-Grant candidate?

Mr. Blair—"There are about half a candidate?"

Mr. Biair—" Yaore are about half a dozen among whem there could be no particular choice. My personal preference is for William Culien Bryant."
